Track Meeting

There will be a mandatory student and parent meeting for any 6th, 7th, or 8th grade student who is interested in participating on this year's track team. The meeting will take place at 6:00 p.m. on Thursday, March 2nd in the TMS Cafeteria. All student participants must have a current physical in order to participate.

Student Data Notebooks

As part of *The Leader In Me* process at Trinidad Middle School, all students in grades 6th, 7th, and 8th, have a data notebook which students work on during their Leader In Me time in first period classes. Students use these notebooks as tools to create and set their academic and personal goals or WIGS and are a valuable part of their learning. The notebooks also contain how students have progressed toward their goals along with their personal mission statement. When students monitor and track their data and personal and academic goals, they are more likely to have a sense of ownership in their education. Finally, student data notebooks were used during student led parent-teacher conferences where students were able to understand and articulate their own data to their parents or guardians.

Hat Day

As part of our on-going fundraising efforts, the TMS Lighthouse Team will be sponsoring "Hat Day" every other Thursday through the remainder of the school year. Students may purchase a sticker for \$1.00 from Mrs. Vezzani in the cafeteria from 7:30-7:40 a.m. to wear a hat to school that day. Hats will be allowed on the following days: March 2nd, 16th, and 30th; April 13th and 27th, and May 11th and 25th.
