Box Tops for Education

Eckhart School is participating in Box Tops for Education. Students are encouraged to bring box tops from participating items and turn them into their teacher. For every 10 box tops a class collects, the class will receive credit on the Box Top Wall. Box tops earn money for the school to purchase playground supplies and student items.

Mrs. Velasquez's first grade class won the competition for the most box tops for the month of March. Let's see who will win the title for April!
