TRINIDAD HIGH SCHOOL

TRINIDAD HIGH SCHOOL BAND IS SUPERIOR IN LAMAR LARGE GROUP

The Trinidad High School Band attended The Large Group Festival on April 19, 2017, in Lamar. Large Group Festival is a yearly held event for bands all over Colorado and the United States. Bands perform 2-3 prepared selections for a panel of judges, and complete a sight-reading task for a single judge. The ensemble is assessed on their precision, musicality, style, and the appropriateness of the literature. The rating system is I (Superior), II (Excellent), III (Good), IV (Fair/Poor), and V (Unprepared). This Festival can be compared to PARCC in that it is an annual benchmark assessment of proficiency. The last time the Trinidad Band attended the festival was 2015. This year the THS band earned I, I, II on stage and I in sight-reading. This is a tremendous accomplishment in the span of one year, and is a tangible record of their musical growth caught in a singular evaluation. Congratulations to the Trinidad Band, a job well done.

The students danced until 11 PM. Everyone had a great time.
