Changes in Transportation

Trinidad School District #1 regretfully announces changes in transportation and any inconvenience this may cause. The changes are a direct result of the failure of the mill levy override last year and the budget reduction in the FY17-18 school year.

All K-5th grade students eligible for transportation will be assigned a bus number and a bus stop during the pre-registration process. Transportation will not be provided for middle school and high school students with the exception of the following bus stops: Village East, Starkville, Cokedale, Exit 13, Exit 18, and North Garcia. All Trinidad Middle School and High School students in the Allendale area will be picked up and dropped off at Fisher's Peak Elementary. Students should be at their designated bus stop five (5) minutes before the bus arrives.

In the interest of safety, all students should understand and parents are urged to impress upon their children by the necessity for strict compliance of bus rules. Kindergarten students are to be picked up at the bus door by an authorized parent or guardian. Video cameras are used on buses.

To view the Board of Education policy regarding this change, or to see the map of the transportation boundaries, please visit www.tsd1.org/transportation-for-2017-2018/.
