Rap Room at TMS

Beginning Monday, February 5th, Trinidad Middle School will be hosting a "Rap Room" during the lunch periods. The Rap Room will be introduced as part of our Anti-Bullying grant. This room is a safe area where students who are having personal or social issues can enter during lunch and visit with one another in an attempt to work out differences or issues they may be having or with our school counselor, Mrs. Vezzani, about any personal or social issues, including bullying issues or any other concerns the student(s) may be experiencing.
