

Compliance with the Health Insurance Portability and Accountability Act

The superintendent or designee shall take steps to ensure compliance with the Health Insurance Portability and Accountability Act of 1996 (HIPAA). Compliance activities shall include conducting an audit to determine applicability of HIPAA to district operations, recommending Board policies to be adopted, adoption or revision of administrative policies and procedures and implementation of same, including record keeping procedures, preparation of necessary documents, employee training, and all other activities necessary to ensure compliance.

Adopted by the Board: December, 2005
