

Entrance Age Requirements

A child may enter kindergarten if they are five years old on or before August 1 of the year of enrollment. Younger students who do not meet the district's entrance age requirement for kindergarten may be accepted if transferring from another kindergarten program if the principal or designee determines that placement of the student in kindergarten is appropriate.

A child may enroll in the first grade if they are six years old on or before August 1 of the year of enrollment. Younger students who do not meet the district's entrance age requirement for the first grade may be accepted if transferring from the first grade in another school or if they are determined by the district to be highly advanced gifted children.

A legal birth certificate or other acceptable record is required for enrollment age certification. The principal or designee will make exceptions to these entrance age requirements in accordance with state law pertaining to the education of military children.
