

## **Students of Legal Age**

Any district policies which require notification to parents/guardians shall be sent to both parents/guardians and students beginning when students turn eighteen.

Parents/guardians of students eighteen years or older who are dependent students for income tax purposes are entitled along with the student to access to student educational records. Proof of dependent status shall be required.

Written permission shall be required from students eighteen years or older who are not dependent students for income tax purposes before parents/guardians are given access to student educational records.
