

Extracurricular Activity Eligibility

The following rules shall govern participation in all school-approved extracurricular activities:

1. Participants must be enrolled in the district as full-time middle school students or high school students in courses that will earn three Carnegie units of credit per semester or enrolled in a nonpublic home-based program or an independent or parochial school taking an equivalent number of classes.
2. Students enrolled in the district must be in attendance at school for the entire school day in order to participate in any school-sponsored activity that is conducted on that day. In cases of emergency or extenuating circumstances, the principal or designee may grant an exception to this limitation. The attendance requirement will not apply to other students since the district cannot effectively monitor their daily attendance.
3. Students must submit a physical examination statement to the school before participating in any sport.
4. Students must have emergency treatment, district parent permission and athletic insurance waiver forms, if applicable, filled out, signed and on file with the school before being allowed to practice in a sport or participate in any activity.
5. Students violating the district code of conduct will be ineligible until they have complied with all disciplinary sanctions.
