District Title I Parent and Family Engagement

Pursuant to federal law, the district and the parents of students participating in Title I district programs have jointly developed the following parent and family engagement policy to establish the district's expectations and objectives for meaningful parent and family engagement. The policy shall be implemented by the superintendent or designee according to the timeline set forth in the policy and incorporated into the district's Title I plan.

Engagement with Title I planning

The district shall hold an annual meeting for parents and families of students in Title I programs, as well as school Title I staff, principals of schools receiving Title I funds and other interested persons to discuss the Title I program plan, review implementation of the Title I plan, discuss how Title I funds allotted for parent and family engagement activities shall be used, and invite suggestions for improvement.

District support for parent and family engagement

The district shall provide coordination, technical assistance and other support necessary to assist participating schools in building the capacity for effective parent and family engagement activities to improve student academic achievement and school performance.

This coordination, assistance and support shall include:

- The appointment of the Title I Director as the district's Parent Involvement Coordinator
- The appointment of a District/Building Parent Advisory Council to provide advice on matters related to parent involvement in Title I funded activities
- The appointment of a Building Parent Involvement Coordinator
- The encouragement of community organizations and businesses to become involved with these activities

The district, with the assistance of parents, shall develop and implement a district professional development plan to enhance the skills of teachers, pupil services personnel, principals and other staff in:

- the value and utility of contributions of parents
- how to reach out to, communicate with, and work with parents as equal partners
- implementing and coordinating parent programs
- building ties between parents and the school

Coordination of parent and family engagement activities with other district programs

The district shall, to the extent feasible and appropriate, coordinate and integrate parent and family engagement programs and activities with other relevant federal, state, and local laws and programs (including public preschools), and conduct other activities, such as parent resource centers, that encourage and support parents in more fully participating in the education of their students.

Student learning

The district shall coordinate and integrate Title I parent and family engagement strategies with those of other educational programs in the district. The purpose of this coordination shall be to improve the academic quality of the schools served, including identifying challenges to greater participation by parents in activities authorized by law, particularly by parents who:

- are economically disadvantaged
- have disabilities
- have limited English proficiency
- have limited literacy
- are of any racial or ethnic minority background
- are parents of migratory children

The district will continue to integrate building and district activities including accountability meetings, PTO, parent teacher conferences, and other means of parent communications such as, newsletters, emails, website and news articles.

The district shall provide to parents, as appropriate, information to help them understand the district's academic standards, state and district academic assessments, the requirements of Title I, how to monitor students' academic progress and how to work with school staff to improve the achievement of students. The district shall develop written materials and training for staff to help parents work with students to improve student achievement.

To ensure that parents are informed of district information, the district will enlist the help or support from ESL instructor(s), parent advocates, staff and BOCES representatives when appropriate.

School-based parent and family engagement activities

The district will encourage parents or guardians to become involved in the activities of schools with Title I programs by not only giving information, but also establishing a district support system

The district support system shall include the following standards:

- Communicating –communication between home and school is regular, two-way and meaningful
- Parenting –parenting skills are promoted and supported
- Student learning –parents play an integral role in assisting student learning
- Volunteering –parents are welcome in the school, and their support and assistance are sought School decision making and advocacy –parents are full partners in the decisions that affect children and families
- Collaborating with the community–community resources are used to strengthen schools, families and student learning

Method of communicating with parents

All information related to school and parent programs, meetings and other activities shall be sent to parents in a format and, to the extent practicable, in a language the parents can understand.

Annual evaluation

The district shall conduct, with the meaningful engagement of parents and family members, an annual evaluation of the content and effectiveness of this policy. Effectiveness shall be measured in part by improvements in student academic achievement and in school performance.

The evaluation shall address the needs of parents and family members to assist with the learning of their children, including engaging with school personnel and teachers and strategies to support successful school and family interactions. The evaluation shall specifically address challenges to greater participation by parents in activities authorized by law, particularly by parents who:

- are economically disadvantaged
- have disabilities
- have limited English proficiency
- have limited literacy
- are of any racial or ethnic minority background
- are parents of migratory children

The district shall use the findings of the evaluation to design evidence-based strategies for more effective parent and family engagement and to revise, if necessary, this policy.

The district shall provide such other reasonable support for parent and family engagement activities as parents may request.

Development of school-level Title I parent engagement policy

Each school receiving Title I funds shall jointly develop with, agree on, and distribute to parents and family members of students participating in the Title I program (hereafter referred to as "parents") a written School-Level Title I Parent and Family Engagement Policy establishing the district's expectations and objectives for meaningful parent and family engagement in accordance with the requirements of federal law.

The policy shall contain a school-parent compact or agreement that outlines how parents, school staff and students will share the responsibility of improved student academic achievement and the means by which the school and parents will build and develop a partnership to help students.
